RIT/Mayday SOG Review

Assistant Chief Tim Ballantyne of Deep River opened discussion concerning the Incident Command and recommended the Valley Shore organization proceed in revising the organization's current policy. A discussion also addressed how the SOG should standardize some issues such as identifying sides of a structure (some departments identify sides of a structure using a numbering system (1, 2, 3 and 4) whereby other departments using a lettering system (A, B, C, D). The attendees did not believe one system was better than the other (numbering system or a lettering system) but did agree the SOG should standardize which one department's utilize.

Old Business:

Discussion was had by the attendees about the number of personnel responding to daytime calls. It was suggested the discussion continue at the next monthly meeting in Killingworth and it was recommended people attend.

New Business:

Deputy Chief Jim Budney of Deep River thanks Old Saybrook FD for the field day event. Deputy Chief Budney opened discussion about purchasing the bleachers for the field.

1st Assistant Chief Tom Listorti of Old Saybrook stated he would look into a price for the bleachers and would return at the July meeting with that information.
